VALLEJO

Each dog will run in one preliminary heat. The winner of each heat will compete in the Championship race.

There will be a MAXIMUM of 6 preliminary heats. If there are fewer than 72 entries, the number of heats will be adjusted accordingly.

The number of dogs in each heat will depend on the number of entries, with a MAXIMUM of twelve dogs per heat.

If entries exceed 72 dogs, owners will be limited to two dogs per human competitor. Owners are encouraged to enter as many dogs as possible. If we are not able to accommodate more than two dogs per owner, we will contact the owner by phone to determine which two dogs the owner would like to run.

If more than 72 entries are received for the Derby Dog Dash, contestants will be selected on a first-come, first-served basis. If you submit an application for a dog and we have already received 72 applications, we will contact you by phone to let you know that your dog will not be able to compete. If fewer than 72 entries are received, every attempt will be made to place an equal number of dogs in each heat.

Two handlers are required per dog: one handler remains with the dog behind the starting line, the other handler will stand behind the finish line to call the dog and collect him/her after the race. At least one handler must be 18 years of age or older.

For the safety of the dogs, **handlers are not permitted to leave their designated places while the dogs are competing.**

We will not be using a starting gate. Owners will stand at the starting line and hold their dog. Once the dogs are settled behind the starting line, the track announcer will state “Ready, Set, Go” and the handlers will release the dog. Please allow your dog to run freely from the starting line of his/her own accord. ANY HANDLER RELEASING THE DOG BEFORE “GO” WILL BE DISQUALIFIED AT THE DISCRETION OF THE RACING OFFICIALS.

Once the announcer has said “GO” and the dog has been released, finish-line handlers are to call their dogs across the finish line and into the receiving area. You may use snacks, squeaky toys, etc. to coax your dogs. Loud noisemakers, live animals other than dogs, and anything deemed to be disruptive to other dogs will not be permitted. **In order to be declared the winner, all 4 paws must cross the finish line.**

Once the first dog (with all four paws) has crossed the finish line, the handlers of the other dogs are requested to continue to call their dogs until all dogs are with their respective owners. If your dog does not come to you within a reasonable amount of time after the finish of the race (determined by the Racing Official), you will be allowed to enter the course and collect your dog. **Please be careful, and do not interfere with anyone else’s dog.**

Dogs will be issued a colored jacket that will correspond with their starting position. All dogs must wear the jacket. If a dog cannot wear the jacket, the dog will not be allowed to start.

The Championship Heat will consist of the 1st place winners of all the previous heats. The procedures for the final heat will be the same as above.

Racing Officials will determine the winners. Decisions regarding placing by Racing Officials are final.

Racing Officials will determine 1st place winners. In the event of a tie, the dogs involved will have a “run-off” to determine the winner. Every attempt will be made to schedule “run-offs” at least one heat later, to allow the dogs a chance to rest.

Decisions of the Racing Officials are final.

Management reserves the right to interpret all questions and conditions in regard to this event, without claim for damages or recourse of any kind. All questions and definitions not covered explicitly in these rules will be decided by the management of the Solano County Fair, Alameda County Fair, Sonoma County Fair, Big Fresno Fair and the California Authority of Racing Fairs with those decisions being final.

Dogs MUST BE kept on LEASHES at all times while on Fairground property, except during heat and/or championship races in which the dog is entered. No exceptions.

All dogs must meet the weight and height requirement (less than 26 lbs AND 14” at the shoulder). Dog may be weighed and measured at the discretion of the Racing Officials. The Racing Officials will disqualify any dog that does not meet these requirements. The dogs can be pure-bred or mixed. Every effort will be made to run dogs of similar breeds and weights in the same heats.
