Dachshund Derby Rules and Regulations

All entries must be received by Wednesday, June 24, 2009, to be eligible for the Northern California Wiener Nationals at the San Joaquin County Fair on Saturday, June 27, 2009. Entries consist of: 1) Official Entry Form 2) Release and Waiver of Liability Agreement and 3) Photo of Dog. Entries will be accepted on a first-come/first-serve basis. The winner of each heat will win \$50. The winner of the Championship heat will win \$300, the second place winner in the Championship heat will win \$200 and the third place winner will receive \$100.

The first heat of the Wiener Nationals will begin at approximately 1:00 p.m., Saturday, June 27, 2009. There will be eight preliminary heats and one Championship race. There will be one preliminary heat run prior to the first race and then one heat between each race.

Each dog will run in one preliminary heat. The winner of each heat will compete in the final race—the “Northern California Wiener Nationals at the San Joaquin Fair”.

A maximum of 96 dogs will compete in the Wiener Nationals preliminary heats.

There will be a MAXIMUM of 8 preliminary heats. If there are fewer than 64 entries, the number of heats will be adjusted accordingly.

The number of dogs in each heat will depend on the number of entries, with a MAXIMUM of twelve dogs per heat.

If more than 96 entries are received for the Wiener Nationals, contestants will be selected on a first-come, first-served basis. If fewer than 96 entries are received, every attempt will be made to place an equal number of dogs in each heat.

Two handlers are required per dog: one handler remains with the dog behind the starting gate, the other handler will stand behind the finish line to call the dog and collect him/her after the race. At least one handler must be 18 years of age or older.

For the safety of the dogs, **handlers are not permitted to leave their designated places while the dogs are competing.**

Starting gate positions will be determined by a random draw, prior to the start of the racing events.

Dogs will be issued a colored “saddle cloth” that corresponds to the gate position they will be starting from. Each dog must start his/her heat with the cloth (the cloth is secured with Velcro). A Derby Official will call all dogs to line up for their respective heats.

An announcement will be given by a track official for handlers to place their dogs in the starting gate. At this time, the finish line handlers will be asked to go to the area behind

the finish line to call their dogs. Finish line handlers should position themselves in starting gate order so that dogs will not be encouraged to cross paths with one another.

Once the dogs are settled in the gate, the starter will open the gate. Please allow your dog to run freely out of the gate of his/her own accord. Because the back of the starting gate is open, handlers may pet/hold their dogs while they are inside. In order to encourage your dog to leave the gate, handlers may want to step back from the gate just before the start.

Once the starting gate has been opened, finish-line handlers are to call their dogs across the finish line and into the receiving area. You may use snacks, squeaky toys, etc. to coax your dogs. **Loud noisemakers, live animals, and anything deemed to be disruptive to other dogs will not be permitted.**

Once the first dog has crossed the finish line, the handlers of the other dogs are requested to continue to call their dogs until all dogs are with their respective owners. If your dog does not come to you within a reasonable amount of time after the finish of the race (determined by the finish-line Derby Official), you will be allowed to enter the course and collect your dog. **Please be careful, and do not interfere with anyone else's dog.**

The Championship will consist of the 1st place winners of all the previous heats. The procedures for the final heat will be the same as above.

Wiener Nationals Officials will determine 1st place winners. In the event of a tie, the dogs involved will have a "run-off" to determine the winner. Every attempt will be made to schedule "run-offs" at least one heat later, to allow the dogs a chance to rest.

Decisions of the Wiener Nationals Officials are final.

The winner of the Dachshund Derby Championship and his/her owner and handlers will come to the winner's circle on the racetrack for photos.

The management of the San Joaquin County Fair reserves the right to interpret all questions and conditions in regard to this event, without claim for damages or recourse of any kind. All questions and definitions not covered explicitly in these rules will be decided by the management of the San Joaquin County Fair with those decisions to be final.
